

Dedicated Exclusively to the Management of Acute and Chronic Pain

The Pain Institute would like for our referring offices to know that the following insurances require a referral from the patient's PCP and a MRI report of the area of pain within the last six months before they can be referred to pain management. These insurances also require at least six weeks of Physical Therapy before injections can be authorized. If the Physical Therapy has not yet been ordered our physicians will order it at the time of Consultation.

PASSPORT (Referral comes from Passport's website initiated by PCP)

INDIANA MEDICAID PLANS (MHS-Referral comes from MSH's website initiated by PCP, MDWISE, ANTHEM, HHP, HIP, HHW, HOOSIER CARE CONNECT)

HUMANA CARESOURCE

CIGNA-NO REFERRAL NEEDED

AETNA BETTER HEALTH

WELLCARE MEDICARE

A referral, Physical Therapy notes if available, and the MRI report need to be faxed to New Patient Scheduling at 1-502-429-5913, before the appointment can be made. Thanks for all your help in this matter and call if any questions: 1-502-292-5566.
